AlaskaNativeArtists.com

is a virtual store featuring authentic traditional and contemporary Native art handmade by Native artists.

The website, located at www.alaskanativeartists.com, gives online buyers a 3-dimensional view of art through extensive and detailed photo galleries. The site also features video clips of many pieces.

Buyers who purchase Native art through AlaskaNativeArtists.com help support Native artists. That's because most proceeds go directly to the artists.

And buyers can be sure art purchased from the site is authentic Native art handmade by Native artists; All artists are screened for Native lineage by the Sealaska Heritage Institute, a Native nonprofit. The institute operates the website and can handle bulk orders.
